Sensationally Smooth Hair Serum

Description:

Sensationally Smooth is a hair serum that provides maximum manageability, while protecting the hair follicles with a layer of premium performing silicone ingredients. **Siltech® F5** is a low viscosity dimethicone fluid that serves as a carrier for the formulation and ensures maximum workability into the hair. **Siltech® G-162-F5** is a silicone elastomer gel diluted in low viscosity dimethicone. The elastomer gel imparts cushion and builds body. **Siltech® 1050** is a dimethiconol silicone gum blend with a positive charge and affinity toward negatively charged damaged hair, providing conditioning. **Silamine® 2972** is an amino-functional silicone that provides premium conditioning, including superior wet and dry combing results. Sensationally Smooth provides the desirable benefits that consumers seek, including flyaway reduction, increased body, increased smoothness and enhancement of natural curl pattern.
