TECHNICAL BULLETIN

**Siltech® Vinyl Dressings**

**Water Based Vinyl Dressing**

The three basic formulations are aimed at three different market segments. The Economy Formulation is a general purpose product for the market. The High Gloss Formulation contains a high refractive index silicone and has the highest gloss. The Durable Gloss Formulation is the most durable product, which gives a "satin look" resembling a new tire.

**Economy Formulation**

Ingredient	Weight %	Source
Siltech E-2140	35%	Siltech Corp
Water	65%	
Preservative	As per Preservative label	Various
